

THE TASTING ROOM NAPA WINE Co.

Wine Club Newsletter December 2011

Like many of you, we cherish this time of year to gather with family and friends. We hope this winter finds you, your loved ones and your wines from the Tasting Room at Napa Wine Company cozied up by a warm fire, enjoying the holidays.

As you reminisce about the past year, we ask that you ponder the question: What was your favorite wine from our Collective Tasting Room in 2011 and why? Post your answer on our Facebook Page during the month of December, and our favorite answer will win a prize!

Our wish for you, our Wine Club Member, is an upcoming year filled with great wine, food and friendships!
